100%

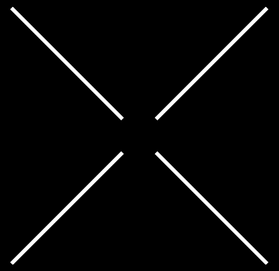

Key Insights

Insights

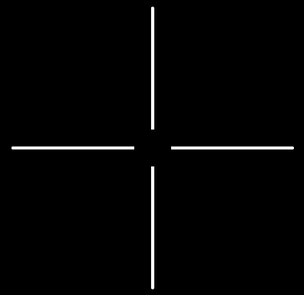

Insight 1

Enter a key finding from your research here.

Insight 2

Explain the details that support this insight.

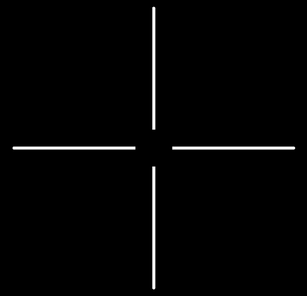

Insight 3

Enter another meaningful survey finding here.

Insight 4

Explain why this insight matters to the project.

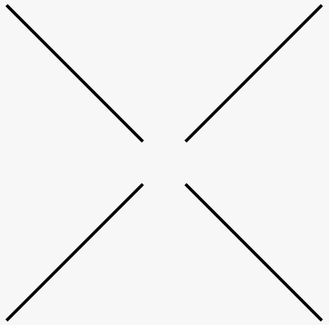

Problem Statement

1

Problem 1

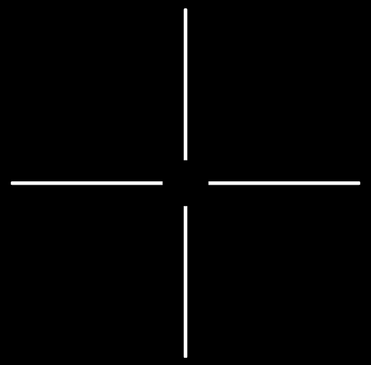

Add key details

2

Problem 2

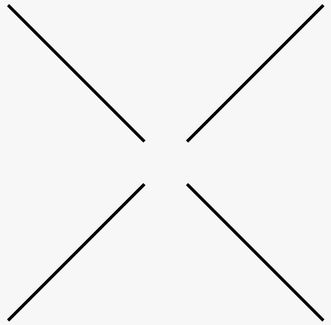

Add key details

3

Problem 3

Add key details

Problem Details

Problem Details

Cause

Explain the details that are relevant to the problem.

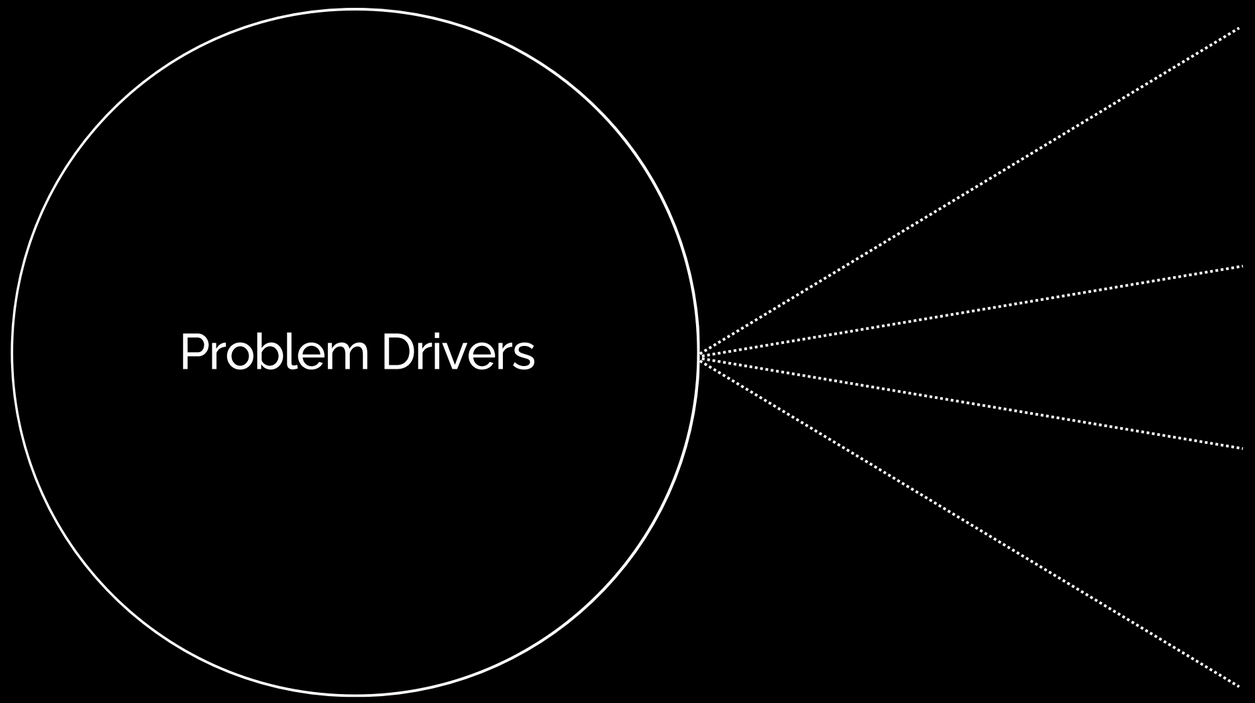

Impact

Describe who is affected and how.

Problem Drivers

What shapes the core problem

Problem Drivers

Driver 1

Explain the first factor behind the problem here.

Driver 2

Explain how this factor affects your users.

Driver 3

Explain the details of this factor here.

Driver 4

Explain the last factor relevant to the problem.

Limits of Current Solutions

Limits

01

Gap 1

limitation of current

02

Gap 2

Enter the gap here

03

Gap 3

Inefficiency or complexity

Where Current Fixes Fall Short

Current Fixes

Gap 1

Explain the details that are relevant to this gap.

Gap 1

Describe why this part is still unsolved.

Gap 1

Add one more limit of existing solutions.

Current vs. Proposed

vs.

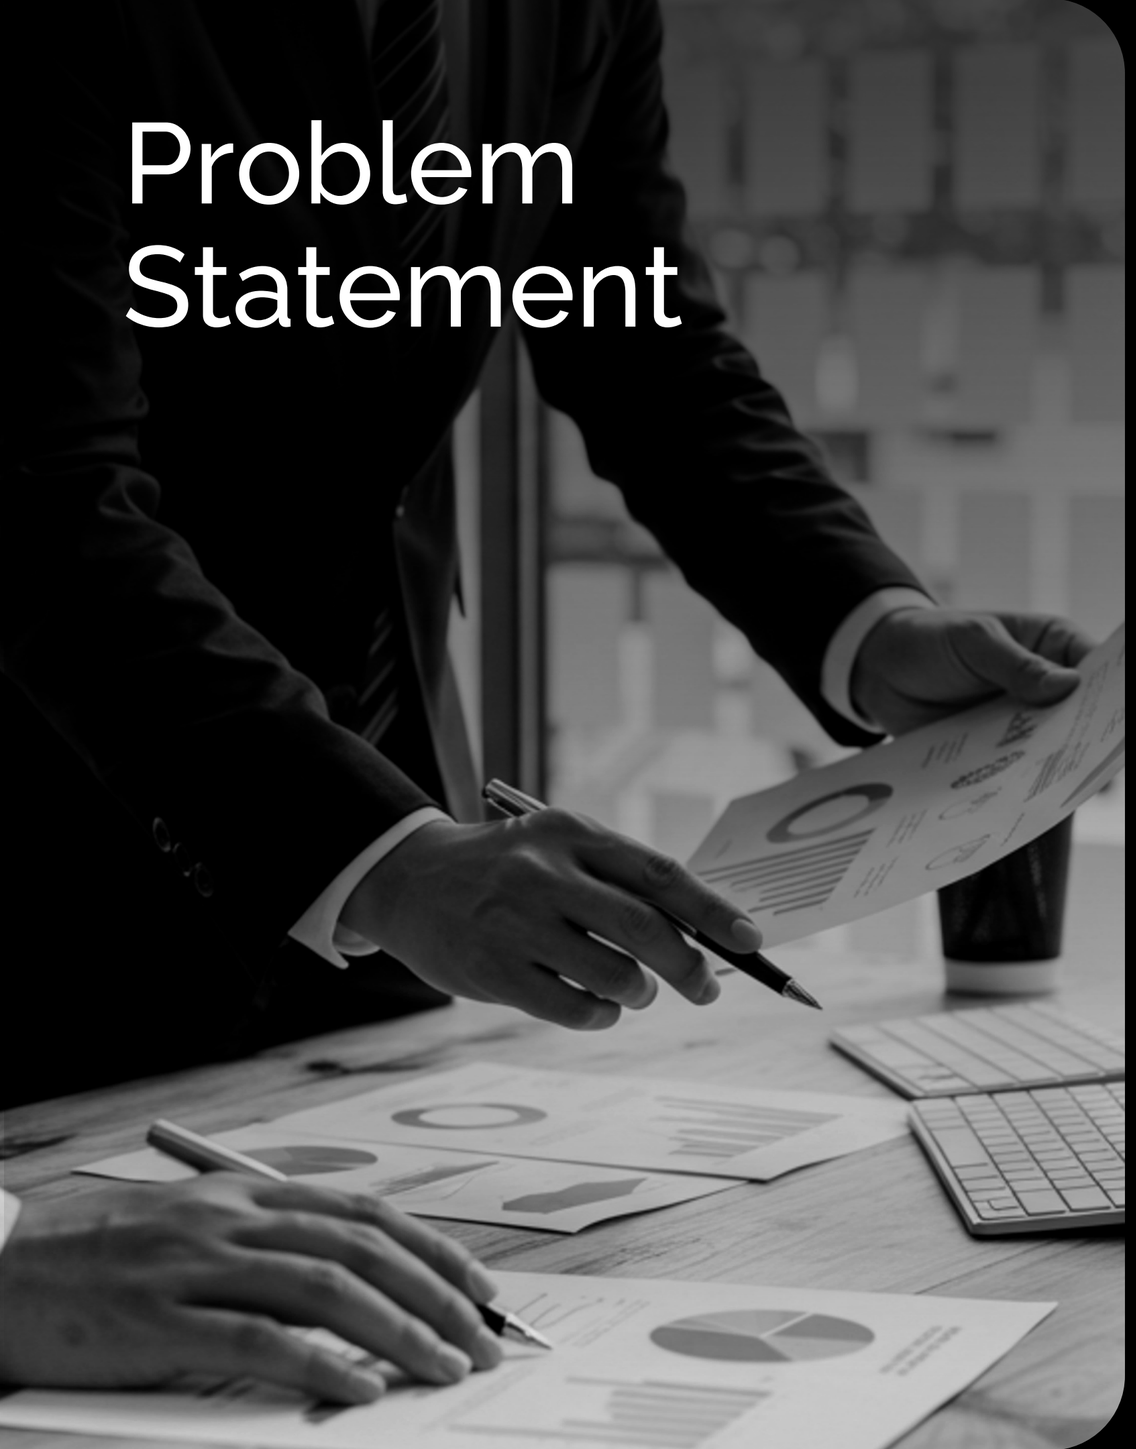

Explain the details
that are relevant to
the current way.

VS

Explain the details
that make your solution better.

Current Solution

Our Solution

Problem Statement

Goal 1

Enter your core project goal here.

Goal 2

Enter your core project goal here.

> How success will be measured?

Project Goal in Action

Project Goal

Our Target

Enter your core project goal here.

Expected Change

Explain the details that are relevant to the goal.

Proposed Solution

Solution

1 Core feature 1

Explain the details that are relevant to the information.

2 Core feature 2

Explain the details that are relevant to the information.

3 Core feature 3

Explain the details that are relevant to the information.

The proposed solution is [Solution Name]

Key Results

Results

FEATURE A

Explain the details that are relevant here.

- Feature A
- Feature A
- Feature A

Explain the details that are relevant to the information.

FEATURE B

Describe how this helps the user.

- Feature B
- Feature B
- Feature B

Explain the details that are relevant to the information.

FEATURE C

Add one more feature of your solution.

- Feature C
- Feature C
- Feature C

Explain the details that are relevant to the information.

Project Timeline

Roadmap

Phase 1
Research

Explain the research activities in this phase.

Phase 2
Build

Explain how the solution was developed here.

Phase 3
Test

Explain how you tested the solution with users.

Phase 4
Launch

Explain the launch plan and next steps here.

Key Results

Results

AVERAGE RATING

4.2/5.0

Explain the details that are relevant to the information.

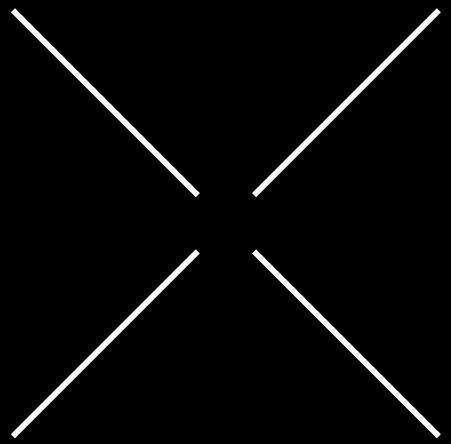

Before & After

Impact of the solution

Impact

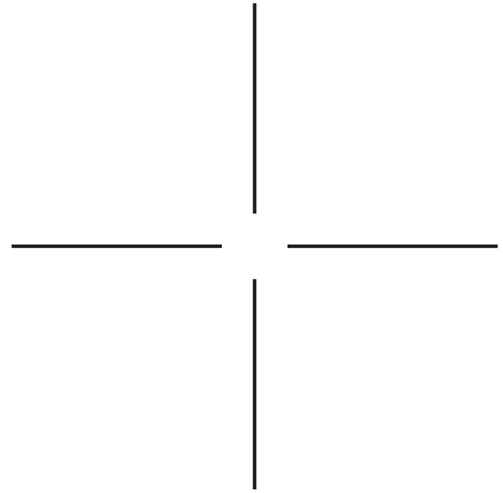

Before

Explain the situation before the solution was applied.

After

Explain the improvement after the solution was applied.

Results Overview

Target vs. Actual

AVERAGE RATING

Enter the target and actual rating values here.

Metric	Target	Actual
Average Rating	4.5 / 5	4.3 / 5
Number of ratings	000 ratings	860 ratings

USER RESPONSE

Explain the details of the user response result.

Response type	Responses	Share	Key feedback
Positive	204	68%	Easy to use; fast performance
Improvement request	72	24%	More mobile features needed
Pain point	24	8%	Onboarding instructions are unclear
Total	300	100%	

We identified the problem, built a solution,
and discovered what comes next.

Thank you
